

# INTERACTING WITH ANGELS

*While you are going about your daily activities, the Angels around you are interacting according to your unique personality, desires, and needs. Imagine that you are on stage, acting out your role in life. Behind the scenes, your personal Angels are arranging what you need, discussing how you feel, and possibly even debating the best way to help you. You don't have to worry about their actions because they continue to act in your best interests even when you are unaware. The following aspects indicate how your personal Angels work for you throughout your life. If you have no aspects to Neptune, that circumstance is also discussed. As you work with your Angels, you will become more and more aware of these themes and what they mean for you.*

# THE SUN IS OPPOSITE NEPTUNE

With Sun Opposite Neptune, you experience a profound interaction between Raphael and Tamiel. When the Angel of Healing and the Angel of Primordial Energy meet, you experience the profound nature of healing in your life. You have probably always experienced a degree of physical protection, and now you cultivate that sense of calm and security in your meditations.

Frail physical health may seem to overshadow your life, particularly in childhood. As you gain emotional and spiritual strength, you find that your physical health also improves, and at the very least your attitude about your physical health becomes more creative.

Profound psychic sensitivity is a natural outcome of communion between Raphael and Tamiel. As you immerse yourself in their messages, you find that psychic awareness becomes keener, and you decipher the messages more easily.

An active imagination is another blessing from this team of Angels. You find that your dreams take on clarity as you meditate on them. Even nightmares take on the cloak of creative possibility as you convert the once-terrifying content into creative action.

Enthusiasm becomes your watchword! You engage in all your activities with greater vigour and optimism, and your attitude is contagious. All your family and friends bask in the glow of your cheerful persona.

Idealistic thoughts become the impulse for dynamic action. You find that you are able to anticipate the likely results of your actions, and you then gear your efforts accordingly.

Expect your interest in mysticism to increase. Raphael and Tamiel open your heart to divine possibilities and guide your personal efforts into the channels of integrity.

### **The Moon is Trine Neptune**

With Moon Trine Neptune, you experience a gentle, emotional confluence between Gabriel and Tamiel. Gabriel is the Angel of the Annunciation, and Tamiel is the Angel of the Sea. Sometimes named Rahab, Tamiel is the Angel guardian of dreams. The immense transformational energy of Gabriel merges with Tamiel's primordial power in your personal life, enhancing the power of truth in your life.

With a strong association to Gabriel, your dreams are often prophetic in nature. You may have dreams that you cannot understand at the time. They are composed of familiar people and things, but the associations make little sense. Later, you discover yourself in a situation that recalls the dream precisely. Or sometimes you feel a sense of déjà vu, and you may then recall the previous dream.

You have the natural capacity to perceive the future through dreams. For this reason, you may want to record your dreams and follow their meanings. Prophetic dreams have some definite qualities. First, they seem to be true dreams, even when you feel they are somehow absurd. They have an internal logic, similar to the plot of a story. They seem meaningful to you because of the people and places in them. Prophetic dreams have a compelling quality that allows you to remember details. They provoke a feeling of deep mystery and you may be able to communicate the sense of mystery to other people.

Your powers of clairsentience - the ability to feel other people's feelings - develop as you become more familiar with Gabriel and Tamiel. You always know something about how other people are feeling. Now you can work to develop your extrasensory ability to discern who is feeling what, and understand other people's feelings separate from your own.

You are somewhat open to negativity from other people. Gabriel and Tamiel work in concert to provide a way to buffer this energy so that you can notice it without taking it into yourself.

### **Mars is Trine Neptune**

With Mars Trine Neptune, you experience the energy of desire through the Angels Samael and Tamiel. Samael is the Angel of Temptation. The gift in this Angelic energy is the power to
